# **GREETINGS FROM WISE AND RISE!**

Wise and Rise works with Entrepreneurs and offers comprehensive consultation for their businesses. We are virtual assistants for our clients.

We help entrepreneurs designing and tracking business plans. We will guide you to acquire new skills to compete in your respective industry.

Turn your idea into reality and grow with the right connections. These are delivered online, one step at a time.

For information entrepreneurs use search engines. For knowledge, queries, and advice they check on Wise and Rise.

Wise and Rise aims to make the process of building your sales team easier and faster. Here's what we offer:-

- Customer Relationship Management and Sales Management
- Track the entire sales team from a single centralized system and record their attendance
- Gather quick insights into your overall sales and marketing progress
- Assist your sales force in collecting orders, managing stock, and analyzing the leads
- Monitor the customer acquisition

Scope of Work:

- 40 connected calls/day
- Daily Followups
- Appointment Setting
- Filtered Leads
- Audience Development

### **Lower in Cost**

**Outsourcing your marketing needs is comparatively cheaper than hiring any marketing executive or building your in-house team.**

### **Expertise**

**Accomplishing your marketing campaigns requires a high level of expertise in different areas. Hire marketing experts to complete any task that requires expertise that you do not possess.**

### **Scalability**

**Those who have a team of marketing experts at their disposal can easily manage the workload without having to expand their internal marketing team.**

### **Scope of Work:**

- **Lead Generation Services**
- **Social Media Marketing**
- **PR and Content Marketing**
- **Group Posting**
- **Ad Management: Facebook, LinkedIn, Instagram, Google for any media budget**
- **Marketing Channel Analysis**
- **MIS and Budgeting**
